

# FLAME/SH

ELEKTRİK ARK KORUYUCU GÖMLEK

## Colour

Sky Blue

Melange Blue

Melange Grey

Navy

## Product Description

- It is produced from non-flammable and anti-static fibers and its performance is resistant to endless washing.
- In addition to non-flammable and anti-static fibers, blends of sweat absorbing and comfort fibers in appropriate proportions provide superior performance against electric arc and provide comfortable working in hot and sunny weather conditions.
- It has advanced tear strength thanks to its special weaving type. As the fabric is colored with high fastness dyestuffs, it offers superior color and sweat fastness.
- There are two pockets on the chest and they can be opened and closed with velcro tape.
- All buttons, including the collar buttons, are concealed with a non-flammable fabric for superior flame and explosion protection. The reinforcing between the front buttons is closed with bar-stitching and the protection is increased.
- Movement comfort is provided with back pliers.
- Shirt sleeves can be folded and shortened at any time.
- Suitable for domestic washing and dry cleaning.
